Centrifuge Tube Box for 15 ml tube

Sku : GE6268

Description

entrifuge Tube Box, offering a durable and rugged alternative to cardboard or foam racks. The 15 ml rack is distinguishable by its distinctive green color, while the 50 ml rack is identified by its blue color. These racks can withstand temperatures from -80°C to 121°C. Each grid is clearly indexed, and the transparent lid allows easy tube identificatio
